

Good Advice Unlocked While Hiring A Social Security Lawyer

There are many ways by which hiring a social security lawyer can be beneficial to you. Applying for [Social security disability](#) benefits can be a quite a challenging experience, and doing so without a social security lawyer can make it considerably more difficult. A competent social security lawyer can make it easier for you to avail of such benefits, which are often granted depending on your qualifying points. With the many different kinds of Social Security disability benefits available, a social security lawyer can help you sort through them and help find the one that best fits your needs. A social security lawyer can even help you with the qualification process.

There are actually a few disability benefits offered by the Social Security system. A good social security lawyer can help you better understand the rules of each one, as they can be quite complex. A social security lawyer can help you differentiate between the various kinds so you can choose the one that is right for you. In this article however, we will focus on two major types: Social Security Disability Insurance or SSDI, and Supplemental Security Income or SSI. Your eligibility of SSDI is dependent on your work history and disability, while SSI takes into consideration disability, as well as your income, old age or blindness.

A social security lawyer can help you in the SSDI application process if you are currently in a physical or mental state that keeps you from working. People who have been disabled for 12 months, anticipate being disabled for 12 months, or expect death to result from their condition can also apply for the program. Since you are eligible for the program if you expect to be disabled for a 12 month period, you do not have to wait that long before filing for benefits. In some cases, you may receive overpayment from the Social Security office. When that happens, and the Social Security office made the mistake, yet they ask you to return the excess amount, a social security lawyer can help you in the process of filing for a waiver. The social security lawyer can also stand in for you if you have to face a court appeal that will decide on whether you have to pay back the excess amount or not.
